

Michael James Navalkowsky

June 12, 1979 - June 5, 2024

Michael James Navalkowsky passed away on June 5, 2024 in Parkville, Maryland. Born on June 12, 1979 in Montreal, Quebec and raised in Mount Joy, Pennsylvania, he was the cherished son of Lorraine Viau (Bob Carper) and Jim Navalkowsky (Debora Navalkowsky) and loving father to James.

Mike was very athletic throughout his early years of life. He played baseball, wrestled and had a strong passion for football. He played for the Donegal Indians at Donegal High School where he graduated in 1997. He went on to play college football for Washington and Lee University in Lexington, Va and graduated from Syracuse University with a degree in law in 2004.

Mike practiced contract law for the majority of his career. Most recently he served as Attorney and Contract Manager for One Main Financial in Baltimore, MD. His passion for sports (super fan of the Phillies and Eagles), music and movies were evident in all aspects of his life. Mike loved good food, especially fresh crabs caught along the Eastern Shore, and passed on his culinary tastes to his son.

Known for his kind heart, quick wit and infectious smile, Mike left a lasting impact on everyone he met. He loved his son very much and spent the past year coaching him in baseball.

In addition to his son and parents, Mike leaves behind a loving family including his sister Lauren Holt (Matthew Holt), his nephews Truman and Quincy Holt, his former spouse Daley Formby, and numerous aunts, uncles, cousins and friends who will miss him dearly.

A private memorial service will be held in Lancaster, Pennsylvania.

In lieu of flowers, contributions to his son's college fund would be deeply appreciated. Please make checks (minimum \$25) payable to "NEST 529" and mail to Thrivent Financial Attn Anthony Spangler, 2031 N Broad Street, Suite 135, Lansdale, PA 19446.

“ I recently had the pleasure of meeting Mike’s son, James, when he played on my son’s baseball team, and while I didn’t know James’s father, I have seen how amazingly awesome and how naturally athletic his son is, and I know he’s carrying his dad’s torch for sure! James is the best, with a magnetic personality, and a caring and huge heart, and I know his dad will be watching over him while he absolutely crushes life!! Sending huge love to the family, and we’re here for anything you need!!

Barry and I are so very heartbroken Michael has passed away. To our dearest sister Lorraine, sweet niece Lauren, ever so great nephew James, Jim, Daley and the rest of the family, we are deeply sorry for your loss. We will miss our nephew so much, that heart warming smile of his. He kept us laughing at his funny stories and we were always amazed at how he remembered lines from movies. It was always a good time when he was around us. Let's pray his spirit lives on in our hearts. Sending our love and deepest condolences.

My deepest condolences to the family. I was privileged to work with Mike over several years. All of my fond memories of him are of a bright man who cared a lot about his family and his work, extremely witty, always fun to have a conversation with him about anything, but particularly about sports or movies. R.I.P.
