“ There's so much I could say about Mick. She never had a cross word for anyone; she loved everyone. And she inspired my kids love of nature too. She had that kind of disarming nature that put you to ease immediately, with her charming smile and constant willingness to go that extra mile. There is a shortage of people in the world like Mick, and although she is gone she has left an indelible mark on the hearts of everyone she knew, and that legacy remains.

“ I had a shop in Lititz when Mick was in town with Susquehanna Bank. The first time she came in and flashed that million dollar smile she was no longer a customer, she became a friend! She and her “crew” visited often and I looked so forward to seeing them! I missed them when they moved them out of Lititz but she was one of those people who touches your life, even for a short while, and makes a lasting impression. Condolences to her partner and family, rest easy Mick, you are so loved.

“ I am so sorry to hear of Mick's passing. She was my trainer at Susquehanna, and she definitely helped me be the best banker I could be. She was a wonderful person, and will be dearly missed.

“ I was just this morning thinking of the day Bexter Kirscht Reefer and I were to meet Mick in Gettysburg at whatever o'clock, and we didn't get there until 4 hours later! I had badly misjudged my travel time! Lo! And behold! Mick was still there, sitting on the grass at McDonald's, reading a book and patiently waiting! We had a ball in Gettysburg, thanks to Mick! I won't forget that for a long time! Thank you, Mick!

And I just realized this was taken at Uncle Jack's 90th birthday party in 2019. Mick was sitting with Jenny and I called 'em "troublemakers!"

“ Dear Mick,

*May you continue to inspire us:*

*To enter each day with a generous heart.  
To serve the call of courage and love  
Until we see your beautiful face again  
In that land where there is no more separation,  
Where all tears will be wiped from our mind,  
And where we will never lose you again.*

*I borrow these words from the Irish poet, John O'Donohue because she has inspired so many with her "generous" heart. She loved her family and friends. She had much joy. Her courage during her illness was extraordinary. We will miss her very much.*

*With much love,  
Cousin Anna Marie*
