“ Ron and Family,I was so shocked when I read this today. I don't get on Facebook too much anymore so I am not up to date with what is happening with everyone and their families. I just am so sorry for you and the family for the loss of Nancy, but I know she is happy if she is reunited with Amy. That is what all of us Mothers wait for when we lose our children before us. We just want to be with them again... Please take care of yourself Ron and let the kids come and look after you so you are not alone for awhile. I will be thinking of you and keeping you in my prayers.
