“ My condolences to her family and loved ones. Nancy was a real one I loved her so much I even called her my Mom because she resembles my mother in so many ways. She was always so sweet and kind to me. She inspired me and left me with wisdom I will forever cherish.

Back in the day Nancy and I worked at AMP (now Tyco). She was just out of high school at the time and would pick me up on her way to work each day for the 3-11pm shift as she drove from E-town to Mt. Joy. I did not have a car at the time. Nancy was such a dependable friend and coworker. I owe her a ton of gratitude. Deepest condolences to her family.
