

Nicholas G. Hershey

July 31, 2021

Nicholas (Nick) Grant Hershey, 27, of Mount Joy, PA passed away suddenly on Saturday, July 31, 2021. Nicholas had resided in Dallas, TX for the past year and a half. Born in Lebanon, PA, Nicholas was the son of Brent and Lisa (Laffey) Hershey.

Nicholas was a 2012 graduate of Donegal High School where he played soccer and tennis. Nick's passions were cooking and cars, especially his 2004 Audi S4. In the last few years, Nick worked as a sous chef and most recently, a car buyer for Wells Auto Group, both in Dallas, Texas. He attended Watermark Church in Dallas. Nick had a big heart and, despite challenges he faced, he sought to help others. He aimed to bring laughter and fun to those around him.

In addition to his parents, Nick is survived by sisters, Colleen M. Hershey and Faith M. Hershey, paternal grandparents, John and Mable Hershey, and numerous aunts, uncles and 24 cousins who loved him dearly. Nicholas was preceded in death by his maternal grandparents, Norman and Lois Laffey.

A Memorial Service honoring Nick's life will be held at Community Bible Church, 331 Anderson Ferry Road, Marietta, PA beginning at 3:00 PM on Sunday, August 8th. Family and friends will be received at the church following the service. In lieu of flowers, memorial contributions can be made to

“ I am so thankful for all the times we had together Nick. I already did, but now I will absolutely ALWAYS remember you whenever Maddie starts to shake at a thunder storm because you thought it was a good way to train her when she was a puppy to clap all of a sudden and scare her!! I'm so glad we grew up together and I just wish we'd stayed in touch. I love you. Run free, drive fast and watch over those who love you❤️

*“Yeah when I get where I'm going
There'll be only happy tears
I will shed the sins and struggles
I have carried all these years
And I'll leave my heart wide open
I will love and have no fear
Yeah when I get where I'm going
Don't cry for me down here”*

“ *Brent, Lisa, Colleen and Faith,
You are facing a very heartbreaking experience. Few people will ever know exactly what you face as you start each new day. Those who do, know how your hearts are torn and how difficult it is to move forward and face each day. Tomorrow, you will have many friends join together who love you and care for you especially over this time and will bring honor and memory to Nick's life. As you reflect on his life tomorrow, may you be thankful to God for the gift He gave you of Nick in your lives and we pray you will have peace in your hearts for the life you gave Nick. We are praying with you as you walk this new journey in your lives. We give you our sincere sympathies and love to your family.*

“ Nick your my big brother you taught me so many things in my life and I wouldn't be the person I am today if I didn't have you
You taught me how to stand up for my self you taught me how to be tough you taught me how to not care what others thought
You were the first person in our family I came out to because I knew you wouldn't care you taught me how to ride a bike and when I had nightmares I would go to your room and you would let me sleep in your bed
You always filled the big brother role so well
We were at Hershey park goofing around and you punched me in the shoulder and said I'm YOUR big brother and your damn right no one will ever be able to fill the void you left in my life
You got me in so much trouble as a kid and all I can say is thank you
Thank you for being my big brother

“ As you initially embraced Nick, as a newborn, with love and an open heart, allow God to now do the same. Your love for Nick will give you strength as you take comfort knowing that he was chosen and is at peace. The memories will be in your heart but his spirit will be right beside you. Just as Nick knew he was loved, so should you know that he loved you. Prayers to a special family. Robin

“ I have known Nick Hershey since infancy. He has ALWAYS been a bright, happy, and adventurous spirit. I have many fond memories of him at our Ocean City, New Jersey home. One memory in particular was when we had a crab boil, and Nick was being chased on the cement by a crab. He was fearless!!!

My heart breaks that his life was cut short, and for the grief being experienced by all who loved him so dearly. I believe in God's plan (although with question), and that Nick is in the arms of his grandmother, Lois, and his grandfather, Norman. One day we will all be together again.

My prayers will go out every day to God to bring comfort to Lisa, Brent, Faith, Coleen, Mable, John, and all the extended family members who are grieving.

My God bless you all.

With my love, Celeste Palmer

“ First time I ever met you, was at your dads farm a few years ago. We went out to a haunted trail that same night & we were paired up with a daughter & dad. The daughter ended up holding both of our hands through the trail while I was wearing sky high boots trying to get through the trail. The girl was extremely tall and she was making the whole trail so much scarier while I was worried about hitting my head. You said to me that night “I’ll always keep you safe” and I looked at you like you were the person I needed as a friend for my whole life. After that you took me out to Irish Eyes & we had a great time. The countless nights of my college work that you helped me with. You cooked me dinner and packed my lunch everyday. The food you made was always delicious! You never had a single flaw in you, Nich. I held you when you had the hardest moments of your life. I loved you with all of my heart. When you called me to say you were coming to Delaware & wanted to see me, I was so excited. I just saw you a few weeks ago in your favorite car that you always had to take to get washed every single day 😂 You told me you were so happy and that everything was going the way you wanted it to go and you couldn’t stop smiling ❤️ It’s such a blessing to have all of these memories with you. God has a special place for you because you truly were an angel on earth. I love you, Grant 🙌🙌

“ I don't have many memories with Nick, he started working with me the past couple months. He was always early ahead of everyone else, very respectful and always eager to learn and grow. His presence had a positive impact at the office. It was obvious he came from a beautiful family. This is devastating news. I pray his family find ease and patience during these hard times. “ I always loved to talk with Nick about cars, a passion for both of us, he was such a companion cousin for my boys who always loved to hang out with him. We loved to travel to watch him play Soccer and Tennis. He was good in anything he tried. As opportunities took him further away from us we always managed through one of our Family to catch up on what was going on. He brought laughter, jokes, toughness (on arm wresting days) and a gentle soul. You will be extremely missed Nick Hershey. Fly on Angels wings my Nephew. I love you dearly ❤️❤️
