“ I first met Norma at a Christian Women’s Connection brunch in Mount Joy. A friend from her new neighborhood, The Orchards, brought her and they sat across from me. As a new widow, she seemed a little sad and unsettled, so her friend and I shared with her about Stonecroft Bible Studies. Yes, she was interested in attending one! - and that began our friendship and her love for studying the Bible. She was a faithful, gracious hostess who opened her home for Bible studies to women for many years until the 2020 virus. Norma was inquisitive and a thinker. We enjoyed her questions and thoughtful insights. Her favorite memory verse was Psalm 46:10; “Be still and know that I am God.” A prayer she adopted and would say was, “Wow, God! Thank you!” We, her Bible study sisters and friends all loved Norma! We believe with Norma the lyrics from this song by Keith and Kristyn Getty:

What is our hope in life and death?

Christ alone, Christ alone

What is our only confidence?

That our souls to him belong

Who holds our days within his hand?

What comes, apart from his command?

And what will keep us to the end?

The love of Christ, in which we stand

We were sorry to learn of Norma's death. Our relationship began when she and Dean were both at Elizabethtown High School, and we were students. We later crossed paths at Mount Gretna summer book reviews. More recently, we were happy to see her when we were shopping in Mount Joy. One of my favorite memories of Norma dates to my high school days when she did a beautiful chalk talk of James Weldon Johnson's "The Creation"—inspirational! We offer our deepest sympathy.
