He overcame many obstacles in his life and his restless upbeat spirit allowed him to have many great life experiences. He often said he had lived a great life! His larger-than-life attitude will be missed greatly by family and friends

ME

“ I served with Pat on the USS Richard E Byrd and he was a crazy 18 to 19 year-old kid and got me in a lot of trouble at some parties in his hometown and Wrightsville. I remember the guy they called meatball and a Native American girl who was an absolute hoot. I salute your sobriety as I have 13 years of my own Godspeed, my friend.
