“ *Pat was a client and friend. I did her hair for 32 years. She was such a joy to be around. I loved hearing her stories...especially the ones from her and her husband's bowling years. She could always bring a smile to everyone she was around.*

I pray for peace and comfort to her family and friends. She will truly be missed! Fly high my dear Pat. Xoxoxo

“ *Patty was a big part of our family. She is more of a sister than a sister-in-law to me. My children and grandchildren grew up with her as AP (short for Aunt Patty) We shared holidays, vacations to the beach, birthdays and just hanging out together. I will miss our trips to Boscov's and the casinos. She loved her little Cricket, but now she is walking in heaven with her husband, Lloyd. i will miss you both forever.*

“ *Patsy (Pat as I called her) was a neighbor to us. We shared many times including Cricket in the side yard of our homes. So sad to hear of her passing away. She will be missed but we have wonderful memories of her and Lloyd.*
