

Paul J. Burns

October 20, 1955 - November 21, 2025

With heavy hearts, we announce the passing of Paul J. Burns, who left this world on November 21, 2025, at the age of 70. Paul was a loving husband, brother, father, grandfather, and godfather whose steady compassion and quiet strength touched everyone who knew him.

Born on October 20, 1955, Paul shared a beautiful life with his beloved wife, Rose Burns, who preceded him in passing. Their bond—filled with devotion, laughter, and unwavering support—remains a cherished part of their family's story.

Paul spent his career as a banquet manager in Atlantic City, where he considered his team an extension of his family. He took great pride in his work and in the people he worked alongside, always leading with kindness, patience, and genuine care.

He is survived by his two sons, Todd Burns and Zachary Burns, who were the great pride and joy of his life. He also leaves behind his daughter-in-law, Alison Burns, and his cherished granddaughters, Hailey Burns and Gianna Burns, who brought him endless happiness.

He was honored to be godfather to Dominic Spadaccini (husband Joseph Kenney) and took great joy in watching Dominic's son, Nicholas Spadaccini,

grow—extending his love and guidance across generations.

Paul will be remembered for his gentle humor, generous spirit, and the way he made everyone feel welcome and cared for. His legacy of love, resilience, and kindness lives on in the hearts of all who were blessed to know him.

May he rest in peace, reunited once again with his beloved Rose.

A memorial service honoring Paul's life will be held at the Sheetz Funeral Home, 16 East Main Street, Mount Joy, PA 17552 on Sunday, December 7, 2025 at 11 AM. Family and friends will be recieved at the funeral home before the service from 10 AM to 11 AM. Interment will be private.

“ Sending heartfelt condolences to Todd, Zach and all of Paul's family. So many wonderful memories from our high school years with Paul and Rose, through getting married, having children and then through the years. To have friends that have been there to share all the big milestones in life is a gift to be treasured. Though long periods of time could go by as we grew older and life took us in different directions, it never took more than a phone call to bridge those years like it were yesterday. This is a big loss, and I am so sorry. Love and prayers for you all that memories will be a balm to your aching hearts and that recalling all the special times will bring you comfort and eventually smiles and laughter. Blessed to have been a friend.
