“ I am sorry to learn of Paul's passing. My deepest sympathies go out to the Clark family. I enjoyed Paul's visits to the E-town Joe the Motorist's Friend store when Tom was the manager. Paul was always easy to talk to and with a great sense of humor. God bless you in the days and weeks ahead.

“ I only met Paul the past year but He had such a remarkable impact on my life. Always making me laugh for hours. The early mornings I'd wake up to make bacon and egg sandwiches to take him were well worth the happiness. I'll miss his stories, his character and his laugh.

“ Paul Clark will always hold a special place in my heart. He was my mom's best friend's husband and growing up as a young child he had a special way of including kiddos and making you feel so welcome in their home. I'll always treasure the stool he made for me that we have in our home as a special reminder of a very special man. My sincerest sympathies to Paul's children and family.
