“ *What a gift Paul has been to so many people! He was kind, wise, and patient beyond measure. For a 17 year old starting out in banking, having a mentor like Paul was truly a blessing. I attribute much of the success experienced during my 42 years of banking to him. Getting to know Paul's family a wonderful experience as well. It's hard to put into words what his influence has meant, so I'll continue to say prayers of thanks for allowing me the privilege of knowing this great man.*
