“ Rest in peace my dear friend, I met you when you and Dan worked together at Burger King, then you became my neighbor, many hours on the front porch at high street talking, you, dan, brenda and myself, many laughs, Lorrie Ann adopted you as her uncle. And the night I was in labor with Alex and you thought I was having him on your recliner. Priceless.. We will miss you, but know that you are in Heaven and pain free. Sending hugs to Brenda and the rest of the family.
