“ I always enjoyed the Christmas cards Randy always send us through the years which I saved and hung up. I remember the great time Randy and Melinda came with us to Las Vegas to see my husband and I get married. Then him and his beautiful wife, Melinda, renew their vows in Vegas with Elvis Presley. We lost a great person but God has gained an angel.

“ I am so very sorry for your loss. The family is in our thoughts and prayers.
I remember that my mom would always con Randy into going to the fair w us. He had to ride all the rides that needed an adult to accompany them. She was too scared. How he didn't get sick w all of that...always a mystery to me.
