“ Such a sad day when this world lost Becky. She was a kind, loving person and loved to help others. She treasured her family most of all.

Becky and I worked as a team as administrators at Drevna Physical Therapy. We both had our strengths but I often looked to her for the insights that she had.

Prayers and sympathy are extended to your family as you navigate life without her. May you feel God's presence during this difficult time. I'm sure her prayer would be for all to know her Jesus as she did.

Your many pictures show her wonderful smiles. Your words show her big heart. To know that she now sits at the feet of her Savior is so comforting. Prayers of peace and comfort to all families and friends.

Becky touched so many people's lives, especially my two children. She was their prayer partner and Sunday School teacher at the Landisville Church of God. She was so thoughtful and always sent them cards and gifts. She made them feel special and that meant so much to me. I enjoyed teaching Sunday School with her and will miss her very much. She was an amazing teacher and friend. I pray you will find peace and comfort in the midst of your grief.
