“ I have been blessed in meeting and getting to know Rhoda through a relative who resides at the Masonic home. In fact, Rhoda made her (Linda Reichwein) feel extremely special and loved. I know Rhoda loved life and she loved our Lord. She gave light to so many and will be missed. Rest in peace with our Lord and Savior dear Rhoda. YOU were loved by many.

“ Thank you for sharing! She always wanted to be a nurse. Volunteering at the hospital allowed her to somewhat fulfill that. She enjoyed helping and loved meeting people. She will be missed.

“ I have fond memories of Rhoda and Sherman. The first Sunday I attended church at Grace United Methodist in Millersville, Rhoda and Sherman welcomed me and introduced me to members of the congregation. After that we became friends. May God bless her son Sam and daughter-in-law Karen and the family at this time and always. Gerda R. Boylan

“ Rhoda was a long time active member of the Millersville Lioness Club. She always had a welcoming smile and was a willing worker helping with projects that benefited the Millersville area. Even though she wasn't an active member in her later years, we made sure she received a newsletter to "keep her in the loop". Sincere sympathy to the family from all members of the Millersville Lioness Lions Club.

“ My deepest sympathies to Rhoda's family. She was one of the dearest ladies that I have ever known. I worked with Rhoda in the PACU at Lancaster General Hospital in the 1990's. She was one of our amazing volunteers. We became quick friends with so much to share and talk about. She worked with my Uncle Parke at Hamilton Watch. After that, I discovered that we lived in the same neighborhood in Lancaster and I would see her volunteering whenever I went to vote. She confided in me about her one sons heart problems because I was a cardiac nurse. I lost touch with her after she moved to Masonic Village and I will always regret that. She will always hold a special place in my heart. I am sure that you know that you are blessed to have had her as a family member.

“ I wanted to let all of Rhoda's family know how truly sorry I am for your loss. Rhoda was always caring with me and her smile warmed my heart when we would see each other. I hope treasured memories help during this sad time. Peace be with you.
