“ *Deb and I were sorry to hear of Rick's passing. I met Rick while working at Amp/Tyco and we golfed together in the Amp league. He was always fun to talk with and he enjoyed life. We send our deepest sympathy and prayers to Phyllis and the family.*

“ *So sorry to hear this news. Rick was a year behind me in high school and his dad was my one of my little league coaches when we played baseball as kids down at a Kunkle Field in Mount Joy. I remember Rick as a nice, fun loving guy who got along with everyon.. And in high school he was a really, really good pitcher. We grew up together and we hung out together for a while when were kids. It was always fun being with Rick. It is so sad to learn of his passing.*
