“ *I first met Rich when I was a member for several years at the Liederkrantz but did not know him well. He and I became good friends when I later joined the SBA. Many afternoons we sat together talking sports, politics, food, travel, or whatever. I came to appreciate everything about him, including his sometimes grumpy personality. I will certainly miss his friendship. I am out of state for several weeks and will not be able to visit the funeral home but want to send Jeremy and the rest of the family my condolences and best regards.*
