“ Aunt Shirley, Rick, Ron and family,  
My thoughts and prayers are with you during this difficult time.  
Uncle Dick has always been so very special to me. His military  
service was part of what inspired me to join the army! He shared his  
pie crust recipe with me and I use it to this day! Every pie and apple  
dumpling will taste a little sweeter now I share in your sorrow and  
sadness today but know that we will all be reunited in God’s glory.  
With deepest sympathy and love to all,

“ My grandfather was a loving, supportive family man who will be best  
remembered by my family for his humor, problem solving skills &  
delicious recipes! Always willing to lend a hand, he was always  
there when we needed him. One of my favorite memories is his  
advice to me as a new, overwhelmed mother. He used to say, "no  
point in getting upset over things you can't control. Just don't worry  
about it!" As if it was as easy said than done! Love you, Grandpa!
