“ Emily & Phil, thank you for the kind words. Richard missed Tom so so very much. He felt so close to him when he was fishing, especially near Toms "beer rock." I was so happy they a lot of quality time in the last couple of years of their retirement. You are absolutely right they are having the time of their lives catching more than they can handle.

“ Phil and I are so saddened to see this. He was such a nice man. Dick was one of my dad's closest and dearest friends. I loved hearing stories about the two of them. I bet he and my dad (Tom J.) are having quite the fly fishing trip together. We send our love to you and your family.
