“ Shirley, The memorial service was such a beautiful tribute to Rick's life. Both Chad and Eric captured a wonderful picture of Rick with their kind and loving words. You and Rick were so generous to invite us into your home when we came to visit our family in PA. May you find peace and comfort in the many good memories that were shared with family and friends. “ Shirley and family,

I was very sorry to hear of Rick's passing. I worked with him at Alarmtech and Vector at the Fremont Street location. He was a joy to work with. The alarm system at my current job got hit by lightning, Rick was one of the installers that came to put in a new system. I got a big hug from him even though it had been years since I had seen him. He was one of a kind and will be missed by many. My thoughts and prayers are with you all.

“ Rick was a friend and fellow class mate. We shared a lot of good
times and laughter. I can still hear his raucous laugh! I am just
shocked at his passing. So sorry for Shirley and the family. It's a
reminder that we must also be prepared.

“ *To the Sload Family,*

My sincere condolences to the passing of Rick. Even though our paths have not crossed in many, many years, the Sload family was always known to be very kind and generous when growing up. I had forgotten until I saw it, that Rick was born on the same day as me and my twin brother. I regret that I was unable to attend our recent class reunion and had a chance to say hello to him. My prayers and thoughts are with you.

“ We have lost a one of a kind. Thoughts and Prayers for Shirley and the Boys. I always loved the dart tournaments between camps in Perry county. If you came for the tournament and were lucky to even hit the dart board, Rick insisted everyone plays. He will be sadly missed.
