“ To Rick's family and friends: I was saddened today when I heard the news of Rick's passing. I left two messages on Rick's voicemail earlier this week and couldn't understand why he didn't return my calls as that was so unlike him. Sadly, now I know. Rick was a wonderful person and fellow Realtor whom I respected. Wishing you peace and strength as you try to understand and comprehend such a sudden loss. The world has lost a very special person. My heart breaks for you.

“ *The Smeltz Family sincerely mourns the loss of our wonderful and special friend, who will be missed so terribly much. Jesus said for us to love our neighbors as ourselves and Rick did exactly that in a genuine and faithful way. Rick walked with us all along our journey in life - through houses, our wedding, the birth of our children, and he never forgot a birthday, anniversary or special moment. Rick's contagious smile, impromptu visits in our driveway, hugs and love cannot be replaced, but will forever be remembered and celebrated. We will cherish our time with Rick as he lead our church small life group, where we were blessed to enjoy faith, love and laughter together. As an entire family, we offer our deepest sympathy and love to all those - especially Nancy, the boys and Rick's family - who were touched by Rick's extraordinary life.*

“ Rick was a costumer, friend and fellow life long resident of Mount Joy. When Rick came in for hair cuts we would talk about our shared memories of growing up in Mount Joy, but mostly we talked about our families. He would always ask, "how are the boys and Barry". My heart is breaking for all if Rick's family. We will miss his jovial chuckle and his kind words of caring. Even at 50 years of age he would refer to his summer hair cut as his soccer cut. May God hold you close to his heart Rick.

“ I remember the day Rick and I had lunch together in 2005. We had a good friendship and I always had a lot of respect for Rick. He was a good Realtor and a good man. He called me one day and wanted to meet for lunch. He wanted me to share with him my plan to climb Mt. Kilimanjaro as an effort to raise money to build housing for an orphanage in El Doret, Kenya. He sat and listened and without saying a word reached in his coat pocket and pulled out his checkbook. He handed me a check for \$500 for the orphanage. He was the first person to give. Despite the pain he must have been feeling and the sadness I feel, I will forever think of him as a kind, caring, compassionate man who was always the consummate professional. Rick old friend, I will miss you and Godspeed.
