“ We miss you pop. Always thinking about you. Miss making you laugh and smile. I still tell dustin once in a while for you to " not get old" in the best impression of you I can. Makes him smile. Love you.

“ I'm so sorry for your loss. I was his nurse on night shift at Masonic. We would see the loving notes left for him by his children and were touched ,. He was loved by all the staff because he was such a nice man. He will be missed.
