

Rob F. Counts

May 21, 1964 - February 28, 2020

Robert F. "Rob" Counts, 55, of Mount Joy, passed away on February 28, 2020 of natural causes.

There is no known family to list as survivors. However, Rob considered the people of Mount Joy his family. He will be missed by all who knew him.

Rob was well known for doing odd jobs around town-mowing, window washing, and doing dishes for many local restaurants. He was very clever and funny and was a lot smarter than he would lead you to believe with the quick-witted things he would say. Rob was always happy and always had a smile on his face. He was a kind soul and lived a simple life. Rob was quoted once in saying "This is the life I chose."

A celebration of life will take place Monday, March 16th from 5pm-7pm at Beanie's Bar & Grill 78 West Main Street Mount Joy. In lieu of flowers, contributions for funeral expenses can be made at Beanie's Bar & Grill, Mount Joy and Nick's Bistro, Marietta.

“ I have known Rob for so many years, I still cannot believe his smiling face will not be around anymore. I met him when I worked at the MoJo for Nick.. Rob was quite the character. He always would have something funny to say to make you laugh even in your darkest of moments. I remember how he would make us laugh when he would mop the floor sometimes on third shift and he would hear a song on the speaker. He would start singing and dancing with the mop.. Oh how we laughed. I don't think I ever saw Rob in a sad or bad mood. When Rob's health started to get worse, I would come by Beanies as he was coming out to go to Weis Markets and I would pull over and give him a ride to do his shopping. Then bring him back and drop him off when we were both done at the store. If I happen to see him going one way and I the other, I would turn around and go get him as I knew those walks were getting harder and harder for him. Let me tell you, that young man appreciated everything you could do for him. As it says in his obituary there were no family members for him except the people of Mount Joy.. That is so sad that he died not even having a blood relative with him when he took his last breath. I only hope that there isn't a Mother out there in California wondering how her son is doing in Pa... Rest in Peace one of my dearest friends, Robert F. Counts Fly High Son, You will be truly loved and missed by me. 🥹❤️
