“ Bobby was a good friend of mine. We shared many great conversations together. He had a goos taste in cinema and the arts. He will be remembered fondly.

“ I had a few classes with Bobby in high school. He was one of the only people I knew who liked Tool as much as (if not more than) me. I'll think of him whenever I listen to their music. Rest In Peace.

“ It's been so hard with my best friend gone. I talked to him every day about every little thing. Found a cute cat photo? Sent it to Bobby. Heard something rad about Star Wars? Sent it to Bobby. Just found a video that made me think of him? Sent it to him. I've been resisting sending pictures and videos every day because I keep forgetting that there's no one on the other side. It's been so hard. He was such a normal every day thing in my life. One of my few constants. I miss him so much. I hope that his other friends and his family are doing alright and I'm truly sorry for what happened. He was such a dear friend and I'll always keep him close to my heart.
