“ my deepest sympathies I was saddened to hear of the passing of bob. We were good friends since I met him in my early twenties even though we have not had a lot of contact over the last few years he will be missed by my self and my wife.He served as best man in our wedding. I know he had some tough times later in life and some health issues, I hope he is in a better place now

“ Dear Deborah, My sincere condolences at the passing of your brother, Bob. Bob and I graduated together from Hempfield High School and I also remember him fondly as a classmate at East Petersburg Elementary. Silly memory, but I recall how precise he was and how readable his penmanship was. He never rushed and needed everything to be "just right". I also can tell from his picture that he never lost his good looks. May good memories comfort you.
