“ Our deepest sympathies to Bobby's children, Ed and the entire family. We had so many good times and so many great memories growing up as friends up on the hill with Bobby and Eddie. “ I first met Bob as a customer of the dealership I worked for. He kept me busy with his love of buying the latest and greatest vehicles. But we would always talk football, and eventually realized that my son and his grandson Hayden were Baron Football players. Every time i saw him from then on, he always made time to talk football. He lit up when he would talk about his grandchildren. I am so sorry to hear of his passing. He was a great guy.
