

Robin Nordsick McComsey

November 1, 1964 - July 16, 2023

Our family would like to share the passing of Robin Nordsick McComsey. She died peacefully on Sunday, July 16 after a four-year battle with cancer. Her husband and best friend Eric was by her side. Robin was preceded in death by her birth mother Roberta and her beloved foster parents, Grandpa John and Grandma Kathryn Groff. Robin built a full life with focus on her family and faith. Robin and Eric were married July 19, 1986. Her wonderful daughters Morgan (wife of Dylan Pallas) and Chynna supported her throughout her journey. Robin is also survived by her father, Edward Nordsick, and stepmother, Josephine, and numerous other family members. She was adored by her three grandchildren; Ethan, Skyler, and Celia. Robin found her joy of life in so many ways; an incredibly keen eye for the design of their home in East Petersburg, a day at the beach in Avalon, a weekend at the family cottage in Mount Gretna. She was so inspired spending time with friends at Florin COB and LCBC congregations. Lancaster was home for her entire life. She loved her work time at The Pottery Works helping customers make their creations come to life. Robin graduated from J.P. McCaskey in 1982.

Please support Robin's life well-lived by considering a donation in lieu of flowers to one of these organizations (or one of your own!); The Teal Blanket Fund (www.tealblanketfund.org), Cancer Care (www.cancercare.org), or WJTL 90.3 (<https://wjtl.com/support/donate/>). Robin will live in our hearts forever and we thank you for your love, kindness, and caring in memory of Robin and in supporting Eric and family.

A memorial service honoring Robin's life will be held at Florin Church of the Brethren, 815 Bruce Avenue, Mount Joy, PA 17552 on Sunday, July 30, 2023 at 5 PM. Family and friends will be received at the church before the service from 3:30 PM to 5 PM. Interment will be private.

“ I met Robin in Reynolds Jr high school. She was as I remember a special person as you all know. I didn't find out about her passing until yesterday.
I remember remember she really loved Art Class w/Mr Hilt. I remember in His Class students were asked to write a poem about getting out of bed in the morning. Robin's was the best. In her poem there line that said " she would get out of bed and run to brush her teeth but she'd run back to bed because you would be surprised to see how quickly the covers lost their warmth." That line resonated with me forever. Everytime I got out of bed I thought about Robin's poem.

“ I met Robin when she worked for the IU at Reidenbaugh Elementary in the Emotional Support classroom. We became fast friends because of our passion for our job...even though we were in different classrooms. ES is not an easy job...not for everyone..but she loved it and embraced it. When they closed her room she came to work in our classroom..MDS. MDS is a different environment. She thrived. We loved her compassion and love for our kids. She always wanted the best for them. We were blessed with her love,silliness, and artistic ability, and drive. When she talked you knew her huge love for her husband and daughters. She put her all in whatever she was doing in the moment. Robin, I LOVE you, miss you and will forever be in my heart.

“ Eric, Chynna, and Morgan, no words can express how sorry we were to hear about Robin's passing. Having many conversations with Chynna over the last few years about her mother's battles with cancer, and knowing how much she loved her mother, we will keep your family in our thoughts as you face this next chapter in your life without her. As for 2 of her grandchildren, Ethan is a sweetheart, we had the pleasure to meet on Mothers day, who we know was very close to her and will miss her forever. Little Miss Skyler, as we call her, and the second youngest of our 12 grandchildren, will always hold a special place in our hearts and never lack for love in our large family as long as my husband and I walk this earth. Just wanted you to know that. Sincerely, Margaret and Leroy Emel and family
