“ *Linda and Courtney: We are so sorry for your loss. Ron was a wonderful man and will surely be terribly missed. Candy and I remember well the times we worked together and our families became friends in Kankakee, Il. and Chapel Hill, NC. He was perfectly made to be a top HR Professional and helped many, many people along the way. His life had such a positive impact on so many. We were lucky to have know him.*

“ My deepest condolences to your family. I am Ron's first cousin. His father and my mother, Gladys Wanger, were brother and sister. Our grandmother, Lillian Krause, lived with Ron and her son and daughter-in-law during his childhood. Then she moved to our house. She was very close to him and me. Even though we haven't been in touch in our adult life I have fond memories of him. Cherish your memories to help you through this sad time. Warm Regards, Cheryl Wanger Rubendall

“ I worked briefly with Ron at an Armstrong plant a couple years ago and we all appreciated him for his kindness and helpfulness. He was a pleasure to work with and we all came to affectionately call him "Uncle Ron" and hated to see him leave. He will be missed.
