“ I have fond memories of Ruthie. I grew up two houses from her and her parents' home. She was always friendly and kind to us kids on the street as we would ride bike and walk past their front porch. Many times she and her Mom would jar pears from their backyard tree and bring our family some to enjoy. They were the best pears I ever had. Having nice neighbors like her has given me very wonderful childhood memories.

“ *Ruth was one of my best friends throughout my life. We were very close and did a lot of things together. She was always willing to ride along if you wanted company when running errands or just about anything. You could always rely on Ruth to be there for you. I love you and will miss you tremendously.*
