“ I was so sorry to hear of Sally's passing. We were very close when we were young but "life' took us down different pathways. I sincerely regret that I have not reached out to her in years. We had many good times together and I have thought of her often but..... My condolences to all her family. Know that my thoughts are with you. I will remember all our walks, high school days, movies, being young mothers, laughter and tears.

Sincere Regards,
