“ To Sharon's family and friends I am so sorry for your loss. Sharon was a very hardworking and kind person. I worked with her at the mojo. She was always very supportive of me and I very much appreciated her. I am sad to hear she is gone, but know she is in a better place.

“ Sharon. Girl you are right where you have wanted to be for a very long time. Walking those streets of gold with your loving and wonderful husband, Phil holding hands just like it was when you met for the first time here on earth. The love between you guys was the best ever. Well now you both can fly together and enjoy Heaven and sitting by the throne of our Heavenly Father. Girl, I will miss you as going to school together for awhile and having Mothers calling after us every night, but we loved it..But, oh how we worried them both. When you find them both up there, tell them how we talked at work about that all the time and how bad we felt. And if you think about if you see Denny, Jodi and Vance, give them a big hug for me and tell them, I am still waiting my turn. Love you, Sharon and will never forget you... R.I.P. My Friend, Sharon Toews... Also. for the family, you all are in my thoughts and prayers at this time of loss. Sharon was a great person and she loved to be around people. I am sure you all knew that. My love goes out to all of you. Thank you for sharing your Auntie and Great-Auntie with me all these years...
