“ *I knew Sherry and Eli almost all my life. Sherry and I played together as very young girls, preteens and teens. We lost touch after we both met our loves. I just reconnected with her on Facebook and was so glad . we still had all those some things in common...camping, love for food, family, and labs. She was a beautiful and funny person. My deepest condolences to her children and parents.*

“ *Dear James and entire family, I am so, so sorry for your immense loss. I hope, in time, you are able to find joy. Your mom was a good woman, and I know she sure loved you all. She was a good and conscientious lady. After both of my parents passing, I'm still working my tail off to stay positive, to look for joy, to release the horrible sadness of being the last of my family. Time heals. 🙏❤️🙏*
