“ Aunt Shirley and Uncle Ken were both exceptional people! Their hearts were wide open to everyone. Their grandsons were raised as their own children. I spent a lot of time with them growing up, seeing them almost every weekend and the sleepovers with Kim. Aunt Shirley had the most wonderful laugh...she was truly special! God has got a very special angel...

“ I remember a family reunion at her home in E-town. Volleyball and good food! The last time I saw grandma! So many fond memories of the farm and family!

“ There's definitely not enough space to speak about Grandmom Shirley. She was the most beautiful person inside and out. From the first moment of meeting her she accepted me as her own, and was even more loving toward my daughter. Shirley loved my dad so much and was there till the very end of his life and I'll never forget that. I can go on and on about her, I just hope she knew how much she was loved and will be missed. Her smile lives on in my heart. Rest easy in God's loving arms now by the side of your true love.
