“ To Shirley's family, I am do sorry for your loss and pain. I worked with Shirley at Kellogg's and called her friend. She was such a kind soul, but spunky as well. She always spoke of her family.....always.. I will always remember the pranks that Gunner would play on Shirley and Margaret and the laughter that would overtake us. Shirley always used to say "God love her or him". To this day I find myself saying that quite often and think of Shirley every time. I hope God eases your pain and calms your heart. God love you.....Carmen A. Valentin
