“ I enjoyed working with Shirley years ago at AMP. She was a fun lady to work with. And then for a few years I lived near her and her hubby in Etown. I'd see them all the time! My sympathy to the whole family.

“ Thoughts and prayers for the families. We are thinking of you. My memory of Aunt Shirley was at Pap Shay auction. Grandma's small cabbage shredder came up and what we didn't know was that we were bidding against each other. When I found out I stopped bidding. And we had a laugh about after words.

“ Shirley was like my second mom growing up. All us kids lived on the same street we all grew up together. Shirley was a beautiful person. My condolences to the entire Shay and Musser family. Now she can be with her wonderful husband Pappy Shay. God bless.
