“ *Steve was a great guy, and we were good friends. He always always asked me how I'm doing. Because of my health and I will never forget him. I always gave him a ride wherever you wanted to go. And I'm missing a lot. May God be with him. A great man.*

I met Steve through a mutual friend, Brent Keener. Steve was very kind to Brent and when Brent was moved to Paxton ministries I stayed in touch with Steve. I picked him up a few times to visit with Brent and we also got together for breakfast or dinner. Our plan was to go to the Lobster house after I sold my place at the shore. I thought it strange that I did not hear from him. When he would call it was always "Hey Candy Lady". Just the other day I drove to his residence to find out he passed away. I did not even think he was ill. I am so sorry. I will miss him. He was a good person. Theresa King
