“ I was one of her nurse aides during a hospital stay she had. She was a patient I will always remember, as well as her husband. They were such kind and sweet people. I waited in her room one night for quite some time while she searched for photos to show me of her dogs and I showed her pictures of my animals too. I am so saddened and heartbroken to have seen her obituary today. May she rest in peace, I hope her husband is doing okay.

“ Sending my condolences to all the members of the Meyers family. When I was telling my family about Theresa's passing, Gianna ,my granddaughter who is now 17 years old, said"l remember Theresa. She is the one who got married on a rock!" I was surprised that she remembered that, but it was a great memory to hold onto. So sorry that I couldn't attend the service. My prayers are with all of you. God bless!

“ In my little over 4 years at the Hershey Company Teresa was always someone who could make you laugh even on your worst days. She has always been someone you could rely on to get things done when you needed her too and go above and beyond everyday. She will be dearly missed not only has a co-worker but as a friend. My deepest condolences to her friends and family.

“ Some years ago I was a co-worker of Teresa. When I was new and knew no one she brought me in her friend zone immediately and made me feel welcomed. She always was there to lend a hand or an ear. Been years since I last spoke with her. Prayers to her family and friends.

“ *My fiancé, Harley, and I both had the wonderful pleasure of working with Teresa during our time at Hershey Foods. She was a very sweet lady who could always make me laugh on a bad day. We said we'd miss her when she retired, but we'll surely miss her even more now. We will always remember the smile she always had on her face. Prayers to her family for them to get through this hard time.*
