“ To Gloria and all the family, i am sorry for your loss. I have known Tommy since I moved to Mount Joy 18 years ago and needed a mechanic, and a friend of mine recommended him. He always had a smile on his face even if he didn't feel like it. I trusted him in keeping my car's running. He never let me down. He will be missed always!

“ I was shocked today to learn of Tom's passing. My condolences to Gloria, Shawn, and the rest of the family. Tom wasn't just a great auto technician who took care of our cars for years. I considered him a friend. There wasn't a visit to the shop that didn't include a conversation. Tom was never shy about expressing his opinion! He will be missed.

Tom was the best mechanic I have known, but to me, he was one of my closest friends. I'll miss our long talks in the shop just as much as his expertise. He was truly one of a kind. I loved just listening to him talk while he worked. He had a way of looking at a problem—mechanical or otherwise—and knowing exactly how to fix it. He was a master of his craft, but his real gift was the way he treated people. He was the most honest, dependable man I've ever known. He will be missed deeply.
