“ I am so sorry for your loss. Loved hanging out with Tommy when we were growing up. Playing sports and every once and awhile having a few beers. He let me use his Road Runner one year to go to the prom. He will be missed by all the Manor Street guys. Take care and may God bless.

“ My sincerest condolences to the Swingler family. Tom was my closest and best friend in high school. We did a lot together, played basketball, softball, hockey, football. We argued a lot but not in a bad way. From seventh grade until we got married we were always doing something with Bill Henny and the Manor street gang. Boy do I have a lot of GREAT memories. This all seems surreal but as i said I will have memories for ever. God Bless you all.
