“ I was so very sorry to hear of Tim's passing. He was a good person with a good heart. He was the only one of my friends that made the journey to visit me when I lived on the west coast. From the times at Commonwealth to the rowdy bunch at the hockey games he was always fun to be with. He will be missed by all.

“ I ran ambulance with Tim for years. He always had a smile and a great laugh. He always was up to something which sometimes was never good, but granted you were in for some fun. My thoughts and prayers go out to the family, what a great loss.

“ I grew up with Tim and we played sports together and went to school together. Although adult life leads you in different directions, I remember Tim as smart, talented, and mischievous growing up and I'm sure he touched a lot of lives. Peace to his family.
