“ Timmy: My heart hurts for your family. I pray Kailey and Kyle grow up knowing how very much you loved them. I'll always cherish our lunches at Mosby's with the gang. Double boners are still better than the drumstick!! We shared a lot of laughs and jokes and stories during those lunches. Thanks for including me not only at Mosby's but in your weekly poker games. Cold brews, laughs and up the river down the river with your uncle and dad and the rest of the characters. You're a good man. I hope Kailey and Kyle always, always remember how much they meant to you. Until we meet again, take care buddy.

“ My thoughts and prayers to the Mowrer family and the Quality Metal family, I had the pleasure (and laughs) of spending many memorable days fishing with Tim from flying down to Mexico and trips to Onieda Lake, days on the susquehanna laughing our butts off, sharing a jug of turkey hill green tea or just going out to lunch. Tim left me with memories for a lifetime..I will remember him forever with love and laughter

“ Walt and Barb I was shocked to see that Tim passed away. I did not know that he was ill. Living here in Delaware we lose touch of things that are important. I found out about Tim's passing by reading the Lancaster News online. Please accept my greatest condolences and our prayers will be with you.
