“ *Melhorn Family, we were very shocked and saddened by the news of Tim's passing. We were one of his many clients for painting and drywalling. He was prompt and always had a smile on his face. The jobs were always done with such perfection which we appreciated. When in our neighborhood, he would stop by to say hello. In fact, that's how the last job he did for us came about. He will be missed by everyone who knew him. Our thoughts and prayers are with your family. May you all find peace in knowing that Tim has found his.*

“ Dear Melhorn Family,I just heard of Tim's passing today and was shocked and saddened by the news. Tim worked in our home, after waiting 3 months for him to do our painting. I told him I would have waited 3 more months if needed since we were one of many of his satisfied customers! Tim was a skilled professional who took great pride in his work. Our thoughts and prayers are with his family.

“ *To the Family, so sorry for your loss. Hope you will be comforted in knowing that Timothy has the prospect of being resurrected, healthy (in the flesh), to Paradise Earth just as Jehovah God has promised. In fact , the vast majority will enjoy everlasting life right here on earth as God had intended from the beginning. God's Kingdom will do this under the rule of Jesus Christ. “ I was so shocked & saddened to hear of Tim's passing! While I do not know the details, the fact remains he will be missed by many. I had the pleasure of meeting him again as an adult after not having seen him for many years. I couldn't get over how he had changed & was impressed at his accomplishments. As the small boy I remembered, he was always full of energy & excitement. He always made me smile. I will forever remember his smile.

“ Dear family of Tim. I was shocked to hear about Tim's passing as I am sure everyone was. Tim had done some dry wall work for me several years ago and I was very impressed with quality work. More importantly he threw himself into his work like it was an art form. Lately I have been depressed and because of Tim I am going to seek help this Thursday which I think is Tim's funeral. God surely works in mysterious ways. His death will save my life. God Bless Everyone. .John Sayer
