“Christine and family, so sorry for your loss. I remember so many good time at Fourth and Pearl Streets, when you Mom took care of my brother John. That was so long ago. Take comfort that your Mom lived a long life. I'm out of town or I would attend. Jackie

“Vera was a wonderful person who put others ahead of herself at all times. She was the personification of a good Christian. I'd like to thank her for her wonderful attention to our two children and our two dogs. She was a most kind and thoughtful person that you could count on for help. The world will miss her and be a less kind place.
