“ I will always remember Verna for being a great friend and a great supervisor. We met when she hired me at the Hershey Medical Center. She was always laughing and being friendly. We became friends and often took shopping days at Park City. Always wanted to do that again but didn't have the chance or make the time. So sorry. I wish the best for Gary and the family. I know it is difficult but may God give you strength and fill you with His love.
