“Vince and I were phi sigma pi fraternity brothers at Millersville University. I will always remember his sweet, gruff humor and the twinkle in his eye. Vince, Jean, Maria Hazangeles and I hung out a lot, savoring stromboli at the Sugar Bowl, occasionally getting into trouble. I will always remember the water pistol fight we had at an unnamed location at the Ville. My memories of Vince will live on in my heart.

“Dear Jean and family, I'm away for 3 weeks and was reading the on-line paper and saw Vince's funeral announcement. I'm so sad to see that. I have so many fond memories of Vince, especially from our Millersville days. Almost all of them involve laughter. I will always have a special place in my heart for Vince. May his memory be eternal.

“Vince was always so kind and nice to me and made me feel welcome in your home and in your lives. I will always remember him with so much fondness and appreciation. He will always be that teddy bear who gave such warm hugs and smiles. Rest in love, Vince. You will be missed.

“We shared experienced in HS football, then we shared a dorm room for 3 years. At times like this, I'm ashamed that I let myself lose touch with you and Vinnie. Seeing his picture brings back so many wonderful memories. My thoughts and prayers are with you all.
