“ Warren was our neighbor since 1977. Our children grew up together & in later life we shared a lot of ups & downs.... conversations at the bench. The pain is over & may you Rest In Peace. My condolences to the family!

“ I am sincerely sorry for your loss. I first met Warren over 40 years ago. It was only in the last few years I saw him again at Gus' Restaurant. My sister Pat and I enjoyed talking with Warren about day-to-day life. Pat and I enjoyed giving Warren sand tarts at Christmas. Warren always made sure to return the container so we would fill it the next year. This year will certainly be different.

“ It is with extreme sadness that I read about Warren's passing. He was my my night time dispatcher with S&H Express. I must say we had some great and sometimes lengthy conversations passing the time on the phone in the wee hours of the nights. You were a good friend and co-worker. I offer my condolences to family and friends of Warren. You will be missed.

Warren and I have been friends, nearly 50 years. I was first, his nurse, and then became his friend. We had many laughs and tears over the years. He dearly loved his siblings, children and grandchildren I am comforted by Warren's relief of his discomfort and deep pain. He tried so hard. Was always doing for others. Rest easy, my friend, Rest easy! You can enjoy your heavenly reward. 🙏
