“ I considered wendy, a big sister. I never had she would come see me at my hair salon and get her hair washed, and I would treat her like a queen. She will truly be missed. She was always in my heart.

“ Wendy was a very nice person, and she had a way of making you feel special, she called me Bernard even though my name is Tony, I worked with her at WESH and she loved to color because it brought peace to her and she always had a smile on her face when I would see her. Rest easy Wendy you'll be truly missed.

“ Wendy and I went shopping every month, always lunch first with ice cream for dessert! Walmart was next and she bought coffee and creamer for the residents at Keystone. She had a sweet, kind heart and I will miss her, but I know that she is with her Lord and Savior and her Dad and grandmothers whose she loved so much. And of course all the pictures she colored of her cats and my dog and horse too...rest in peace Wendy...
