“ Bill was probably the best employer I ever had when I was in college. He even helped me get my wife's engagement ring almost 36 years ago. Condolences to Bill's family, he will be missed.

“ I first me Bill over 50 years ago while deer hunting in Potter County. Back in the Elizabethtown area we often crossed paths when bowling and other events. When I moved to Rheems, we became friends and he was always willing to help me out with electrical problems at my house. And he would always jump at the chance to help the Fire Department. His constant smile and pleasant demeanor made everyone around him comfortable. One of the great ones gone to soon!!!
