

Zane Douglas "Doug" Erb

July 20, 1959 - March 23, 2025

Zane Douglas "Doug" Erb, 65, of Lititz, passed away peacefully at his residence on March 23, 2025. Born on July 20, 1959, in Lancaster PA, Doug was known for his humor, thoughtfulness, and adventurous spirit-often accompanied by a touch of clumsiness that made those around him smile. To his companion and friends, he was affectionately known as "Poopy," a nickname that reflected the warmth and laughter he brought into their lives.

A skilled maintenance mechanic at DART Container before his illness, Doug had a knack for fixing just about anything. Beyond his work, he had many passions- playing in pool leagues, throwing darts, and secretly expressing his artistic side. As a young man, he even raced mini sprints, always seeking the thrill of the track. Doug loved spending time with his daughters and grandchildren, cherishing every moment he had with them.

Doug is survived by his companion, Cheryl Wanner of Lititz, his three daughters, Lindsey Erb-Garcia of Fayetteville, NC, Shea Erb of Lititz, and Skyler Erb, fiancée of Keith Bucher of Columbia, PA; as well as his beloved six grandchildren. Also surviving are four siblings, Pam Miller, Barry Erb, Dwayne Erb, and Roger Bleacher. He was preceded in death by his parents, Barry Erb and Pat Locke.

Doug will be deeply missed by his family and friends, who will forever cherish

the laughter, love, and memories he shared with them. In keeping with his wishes, services will be private at the convenience of the family.

“ I remember a little over 25 years ago, working with him at Donnelley. After working a 4-12 shift he was working on his truck headlights that wouldn't work and asked me to follow him home. I could barely keep up with him as drove it like he stole it, all down rt 30 and ripping through Lititz. Once we rolled into his place, he offered me a beer... miss you man!

“ So sorry to hear of Doug's passing I consider him a friend for 40 years starting with our time at RRD and going until Quad.

He always had a smile, joke or jab but was one of those rock steady guys when things were tough.
